Email: _____ Email: _____

Emergency Contact: _____

Relationship to player: _____

Phone: main _____ other _____

Medical Concerns: _____

T-Shirt Size: _____ Uniform Jersey Size: _____ Uniform Kilt Size: _____

Years of Experience: _____

Pre-registration is for girls in grades three through eight who are committed to developing the necessary skills to play lacrosse at a competitive level. Players must reside in or attend school in Arlington.

Although pre-registration is required for official AGLAX registration, pre-registration does not guarantee a roster spot on an AGLAX team for the spring season. AGLAX registration is limited by several factors, including team roster size, field space and coaching availability. We are always looking for additional volunteers to help with administrative duties or with coaching a team. If we are able to recruit additional volunteers, it will help us field more teams and may allow us to accept more players in the club.
